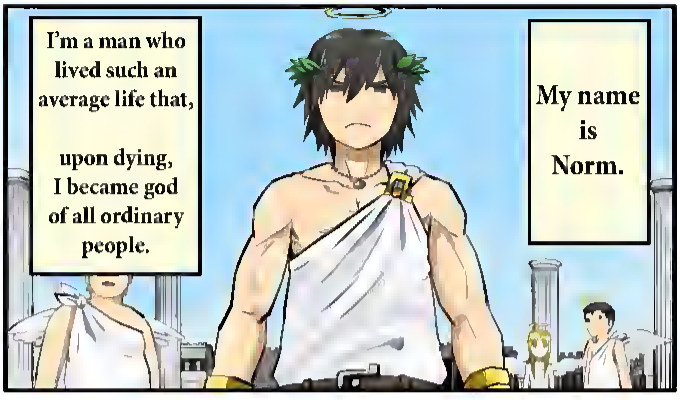
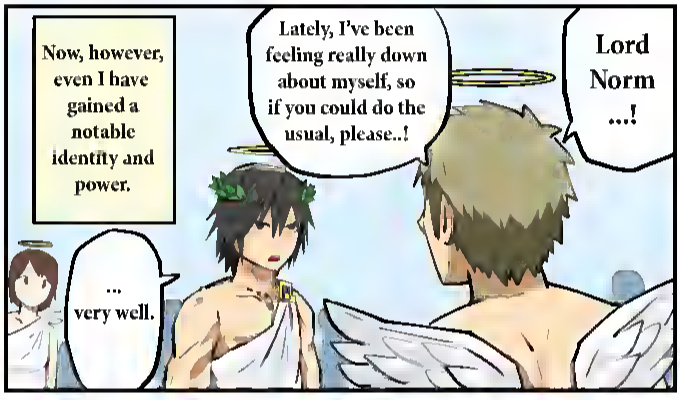
EVERYDAY WITH GODS
~Norm and his charming friends~

Norm

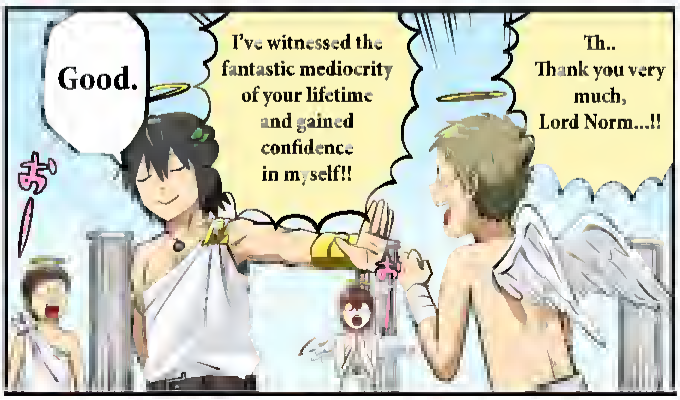


I'm a man who lived such an average life that,
upon dying, I became god of all ordinary people.
My name is Norm.



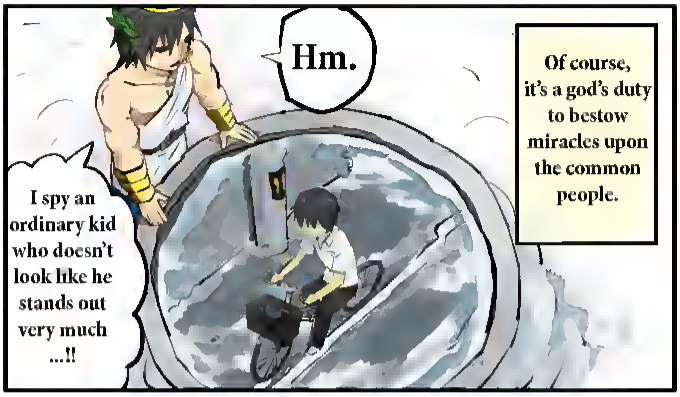
Now, however, even I have gained a notable identity and power.
Lately, I've been feeling really down about myself, so if you could do the usual, please..!
Lord Norm ...!
... very well.

HAAAA!!
キラ
キラ

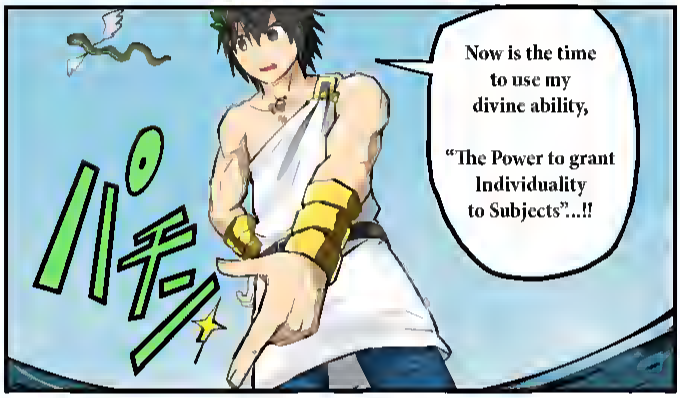


Good.
I've witnessed the fantastic mediocrity of your lifetime and gained confidence in myself!!
Th.. Thank you very much, Lord Norm...!!
お!

A God's Power



Hm.
I spy an ordinary kid who doesn't look like he stands out very much ...!!
Of course, it's a god's duty to bestow miracles upon the common people.

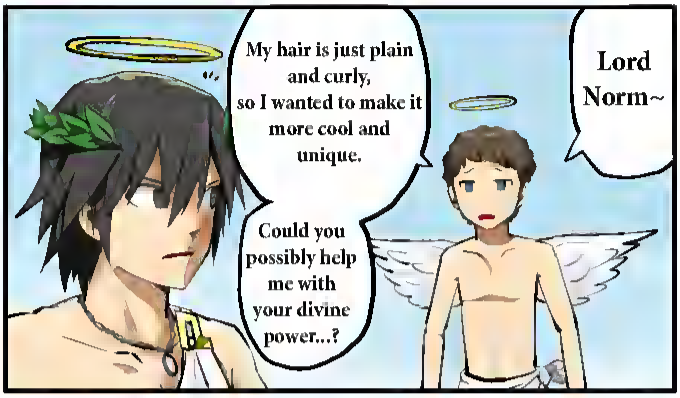


パチン
Now is the time to use my divine ability,
"The Power to grant Individuality to Subjects"...!!

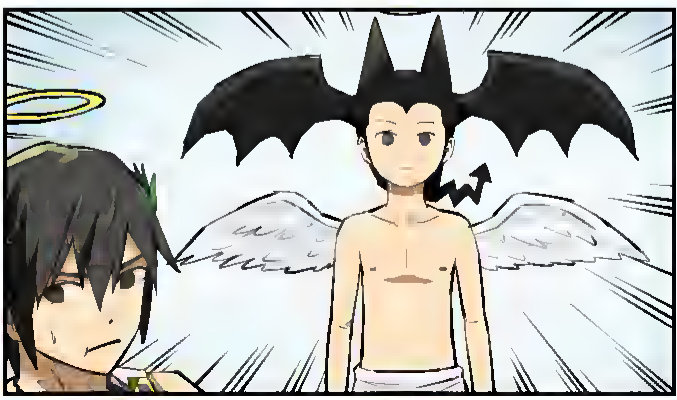
Agh- it hurts ...!
ガシャン

Like this, you'll become the center of attention in your class for showing up on crutches...!!
Alright ...!
グッ

Contrast is Personality

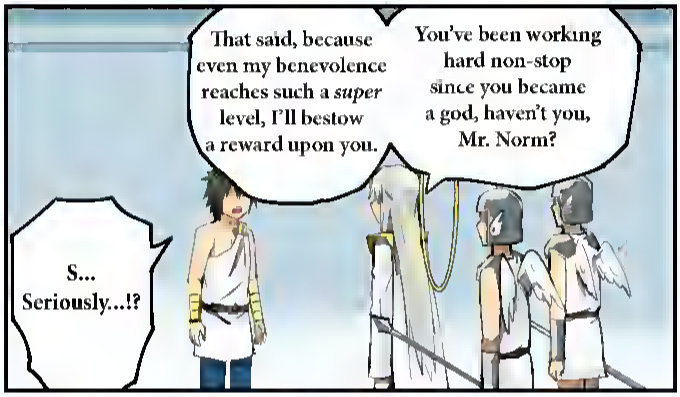


Lord Norm~
My hair is just plain and curly, so I wanted to make it more cool and unique.
Could you possibly help me with your divine power...?



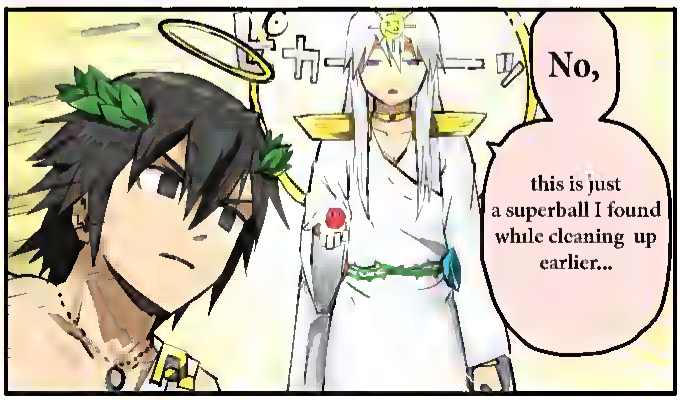
Super Item

Oh...
He who reigns over the summit of The Heavens, Lord Supreme...!
ピャーッ
Yo~
My my, if it isn't Mr. Norm.



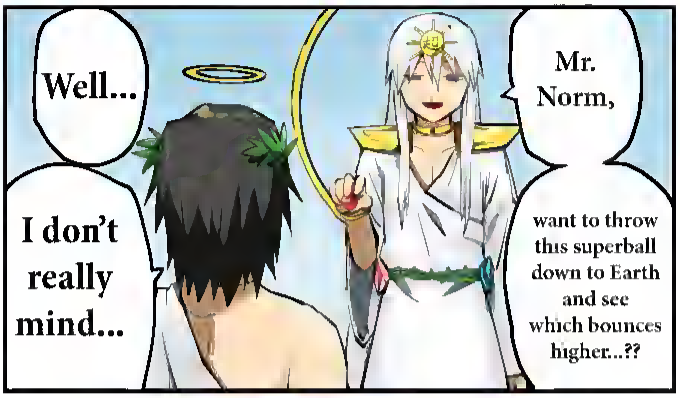
That said, because even my benevolence reaches such a *super* level, I'll bestow a reward upon you.
You've been working hard non-stop since you became a god, haven't you, Mr. Norm?
S... Seriously...!?

Oh ...!!
This is undoubtedly a *super* item ...!!
ピャーッ
Go ahead.

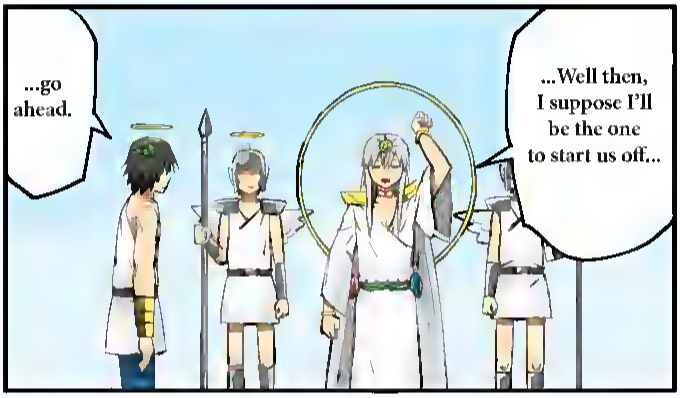


No,
this is just a superball I found while cleaning up earlier...

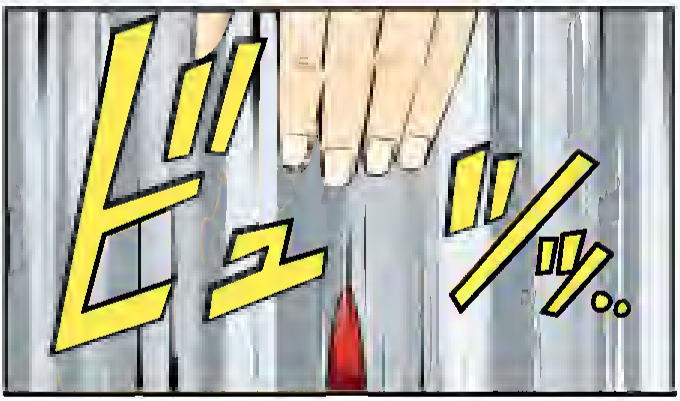
Gods' Play



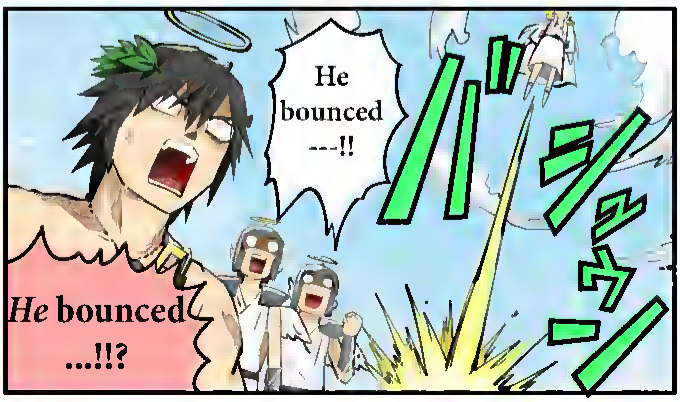
Mr. Norm,
want to throw this superball down to Earth and see which bounces higher...??
Well...
I don't really mind...



...Well then, I suppose I'll be the one to start us off...
...go ahead.



ヒュ〜〜〜..



He bounced ---!!

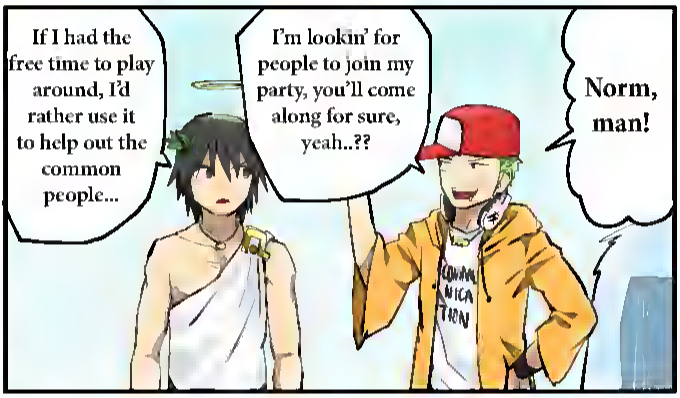
COMMU NICA TION
Wassupn



If I had the free time to play around, I'd rather use it to help out the common people...
I'm lookin' for people to join my party, you'll come along for sure, yeah..??
Norm, man!
COMMU NICA TION

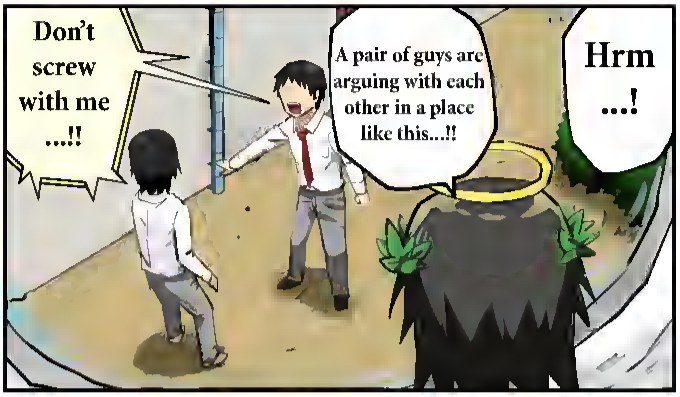
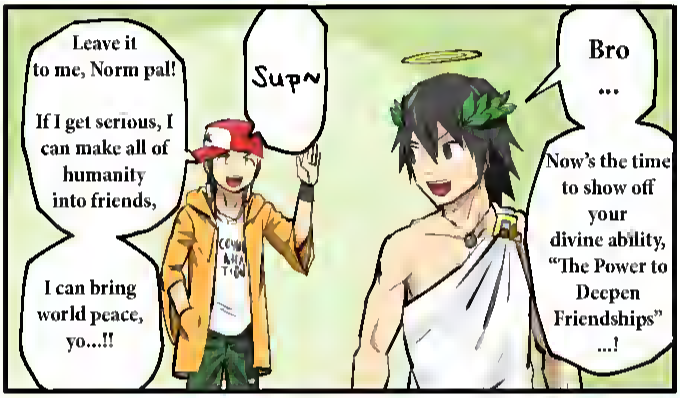
Well, if you insist...
Don't be so stiff, it'll be fine if you just drop by for a bit!
I invite all kinds of people, so you'll definitely find someone to your liking...!

That's certainly *all kinds*...!!

The Power to Deepen Friendships





Leave it to me, Norm pal!

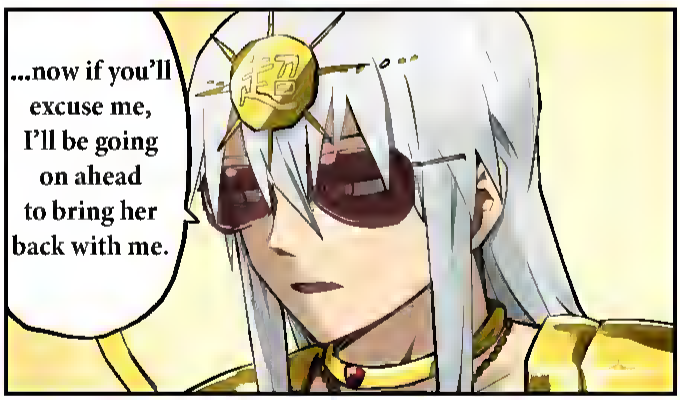
You sure do!!
When a *super* being such as myself goes to hit on someone,
I succeed before I even try to begin.



...now if you'll excuse me, I'll be going on ahead to bring her back with me.

!?

TL Note: All the freaking names are puns.

So, translating their names was fun. ;u;
I'll explain the gods' names that were introduced so far:

凡神 - Bonjin - Norm (God of Regular People)
The kanji spells out "Mediocrity" and "God".
It is read the same as **凡人**, which means "ordinary person"

超神 - Choujin - Supreme (The Supreme God)
The kanji spells out "Super/Ultra" and "God".
It is read the same as **超人**, which means "superhuman"

友神 - Yuujin - Bro (God of Friendship)
The kanji spells out "Friend" and "God".
It is read the same as **友人**, which means "best friend"

(Fun fact: If you look closely, each god has their 1st kanji on their person!)

I had to get a bit creative to have the names stay in line with their original meaning, yet still sound "name-like".
What, you don't know anyone named Lord Supreme?

WELL CRY ABOUT IT
(I know I did ;_;)

Special thanks to /r/manga for providing feedback and suggestions for the naming by the way! Without your help, I would've still been stuck with names like Ordin, Anoobis, and Hebro....*shudder*

Special thanks to /r/manga
for providing feedback on the names!
